- Top Manager Mindset and Staying Motivated
- The Habits of Leaders of Top Producing Teams
- Effectively Leading Different Behavioral/Personality Types

+

Plus, you will walk away with practical ideas to save your time more effectively so you can have better work-life balance.

## Derek Eurales

An entrepreneur at heart, Derek parlayed his experience as an Army Career Counselor into a successful business, helping Veterans find employment that is high-satisfaction, high-salaried, highly upward-mobile, and highly compatible with their skill sets. He has accomplished many "bucket list" items during his life but lists his family and faith as his two top achievements. Having spoken on stages in over 30 countries around the world, Derek has interacted and shared stages with some of the world's top A-list celebrities and world-changing business moguls but remains committed to helping those who have a drive to push past their own limitations toward success, regardless of their backgrounds. He has coached thousands of budding entrepreneurs through starting, growing, and expanding their businesses, and he's ready to help you too.

INCREASE YOUR INCOME • STAY MOTIVATED • BETTER MANAGE YOUR TIME
